Are you prepared for safe and successful September re-entry? Do you have clear policies to guide the operation of your school?

Join OFIS together with their legal partners Caravel Law for guidance and discussion regarding clear policy to support independent schools during the COVID-19 pandemic.

Participants for this webinar will also receive:

- General guidelines for the preparation of safe-return policy packages
- A comprehensive framework of possible policies each school will need
- A checklist for internal operations to complement the policies
- A template which highlights key components that should be included/considered when preparing policies
